Steel Magnolias

The action is set in Truvy's beauty salon in Chinquapin, Louisiana, where all the ladies who are "anybody" come to have their hair done. Concerned with a group of gossipy southern ladies in a small-town beauty parlor, the play is alternately hilarious and touching—and, in the end, deeply revealing of the strength and purposefulness which underlies the antic banter of its characters.

Steel Magnolias is directed by Jo-Ellen Ming
Assisted by Laurie Van Ark & Cathy Van Lopik;
Produced by Jim Griffin
