

HOLLAND COMMUNITY THEATRE

The Holland Community Theatre's Response to the COVID-19 Coronavirus Pandemic: The Show Must Go On... Later

It is with a heavy heart that The Holland Community Theatre announces the upcoming production of *On Golden Pond* has been cancelled... or rather, **postponed**.

This decision was made after careful consideration along with the current recommendations from Michigan's Governor and the CDC. We artists know that **the show must go on!** And since we love this show, **we have moved *On Golden Pond* to the same time slot - Spring/Tulip - Time for the 2020-2021 season.**

As you may know, we recently changed our name back to **Holland Community Theatre**. We support our wonderful community by trying to keep our actors, crews, volunteers, and **faithful patrons** safe -- that's you! As such, **our building is closed until April 30**, but if the situation changes, it may be longer.

Once again, please note these dates are subject to change accordingly if there are extensions of the Governor's Orders.
